**Re: Naughton Scholarships 2019 - Closing Date 18<sup>th</sup> May 2019**

A Príomhoide a chara,

The Naughton Scholarships were established in 2008 by Martin and Carmel Naughton to promote the study of engineering, science and technology by third level students in Ireland.

Since then over 270 young people have been awarded scholarships. Last year thirty-six exceptional students from every County in the Republic of Ireland were awarded scholarships. Each Naughton Scholarship is valued at €20,000 i.e. €5,000 for each year of the students third-level course. The Scholarships are awarded for academic excellence, community involvement and other achievements.

We are delighted to announce that this year another 36 Naughton Scholarships will be awarded to Leaving Certificate students. There will one guaranteed scholarship for each County and five additional ones.

Full details of the scholarship scheme are available for review or download on the Foundation's website [www.thenaughtonfoundation.ie](http://www.thenaughtonfoundation.ie). Students should read the terms and conditions on the website and apply on-line.

We would be obliged if you would pass on the enclosed copy of the scholarships scheme's 2019 Terms and Conditions to your school's Career Guidance Counsellor, Science Teacher or appropriate person, and would also appreciate if you could encourage your students to consider applying for a scholarship. Also enclosed is an A4 sheet outlining the principal aspects of the scheme in 2019, which might be suitable for your school's noticeboard.

We hope you feel that these scholarships will be of benefit and encouragement to your students and thank you for your assistance in promoting them. Please do not hesitate to contact me at [info@thenaughtonfoundation.ie](mailto:info@thenaughtonfoundation.ie) or on 086-2326545, if you need any further details or have any queries regarding the scholarship scheme.

Mise le meas,

A handwritten signature in cursive script that reads 'Rachael Naughton'.

## THE NAUGHTON SCHOLARSHIPS

### 2019 SCHOLARSHIPS FOR STEM UNDERGRADUATES

#### Application Details 2019

The Naughton Foundation is awarding thirty six scholarships in 2019 to promote the study of engineering, science and technology at third level by students in Ireland. Each Naughton Scholarship is valued at €20,000 i.e. €5,000 for each year of the students third-level course.

This year 36 Naughton Scholarships will be awarded to Leaving Certificate students in 26 Counties. There will one guaranteed scholarship for each of the participating Counties\* and five additional ones.

Applications are invited from all second-level students who meet the eligibility criteria. Please note that Applicants must:

- (a) be attending a second level school in the Republic of Ireland; and
- (b) be a 2019 Leaving Certificate student applying for admission to an engineering, science or technology related course in any publicly funded University or third-level institution in Ireland, including Northern Ireland.

Full details on who is eligible to apply for a scholarship and the Application Form are available for completion on the Foundation's website  
[www.thenaughtonfoundation.ie](http://www.thenaughtonfoundation.ie).

**Closing Date for receipt of applications:**

**Saturday, 18<sup>th</sup> May 2019**

Further enquiries should be sent to the Naughton Foundation at  
[info@thenaughtonfoundation.ie](mailto:info@thenaughtonfoundation.ie).

*\*Please note that there will be four guaranteed Scholarships for Dublin and two in Cork. Students in these Counties should apply by the County Council Region in which their school is located.*
