Cothú Dea-lompair

Táthar ag súil leis an iompar seo

- Ba chóir go n-ionpródh daltaí iad féin go ciúin sibhialta i gcónaí agus iad ar scoil. Ba cheart do gach dalta a bheith cúirtéiseach agus dea-bhéasach lena chéile, le gach múinteoir, gach oibreoir, agus le cuairteoirí san scoil. Ba chóir go mbeadh atmaisféar dearfach, measúil agus taitneamhach a chur chun cinn sa scoil. Spreagaimid go nglacadh gach duine le h-indibhidiúlacht agus go dtabharfar gach deis do gach duine a bheith páirteach i ngach gné de shaol na scoile.
- Tá sé riachtanach bheith in am i gcónaí le haghaidh scoil gach maidin, gach rang, gach coinne agus cluichí. Chun na críche sin, tá sé tábhachtach a bheith poncúil agus gach trealamh is gá ullmhú roimh thús na ranga. Ba cheart do dhaltaí dul go dtí na taisceadáin 3 uair sa lá, ag túis an lae, ag am sosa agus ag am lóin. **Beidh freastal ar mic léinn a bhfuil riachtanais speisialta acu maidir le heagrú na taisceadáin.** Má tá dalta ag teacht déanach don scoil, ní mór dóibh dul chuig an Oifig, an clár a shíniú agus a thaispeáint nóta ag míniú a moille. **Má leanann fadhb poncúlacht, beidh cruinniu a shocrú le tuismitheoirí chun an cheist a phlé.**
- Ba chóir éide scoile ionmlán néata, glan (geansaí, t-léine, bríste agus bróga oriúna) a chaitheamh i gcónaí. Cothaíonn caitheamh ár n-éide scoile comhionannas, féiniúlacht agus comhtháthú i measc na mac léinn. Ba chóir an éide scoile a chaitheamh le bród agus meas. Ba chóir go n-ionpródh daltaí iad féin i gceart i gcónaí. **Mic léinn a sháraíonn an rial seo beidh smachtbhannaí a mheasann an bainistíocht a bheith oriúnach á chur i bhfeidhm orthu.**
- Tá sé de dhualgas ar scoláirí agus tuismitheoirí cloí leis an gComhaontú i leith na Netbooks

- As meas agus cúirtéis, agus ar mhaithle le timpeallacht foghlama a chothú, caithfear gutháin phóca a **mhúchadh**, seachas bheith ar mhód ciúnais, le linn am scoile. Tá cosc ionmlán ar ghléasanna taifeada/éisteacha/fótagrafacha agus gléasanna leictreonacha eile. Má fheictear dalta le ceann ar bith de na gléasanna seo, glactar leis go bhfuil sé in úsáid acu agus caithfear seilbh a ghabháil air láithreach. Tabharfar gutháin phóca/nithe arais do thuismitheoirí/chaomhnóirí amháin. Mic léinn a sháraíonn an rial seo beidh smachtbhannaí a mheasann an bainistíocht a bheith oriúnach á chur i bhfeidhm orthu. **N.B. Tabharfar aird air mar shárú tromchúiseach den Chód lompair má bhíonn griangrafanna tógha nó taifeadtaí déanta agus iad scaipthe gan cead roimh ré. I gcásanna eisceachtúla, le cead múinteora, is féidir le scoláire(i) úsáid a bhaint as an bhfón póca le pictiúir a thógáil do thionscnaimh agus/nó do thrialacha.**

- Nuair atá dalta as láthair, ba cheart litir ó thuismitheoirí a thabhairt isteach agus é/í ag teacht ar ais ar scoil. Má theastaíonn ó dhaltaí dul abhaile nó go dtí an siopa ag am lóin, caithfidh siad litir a thabhairt don Phríomhoide ag túis na bliana, ag cur an méid sin in iúl.

Code of Behaviour

Mission Statement

Coláiste Naomh Feichín endeavours to create a safe, secure environment for staff and students in which education in a holistic sense will be provided, focusing on the students' academic, social and cultural development. The students' uniqueness and individuality will be recognised and nurtured so that they become respectful, balanced and valuable members of society.

This Code of Behaviour is designed to create a safe secure environment in our Coláiste which will facilitate the educational, moral and social development of our pupils - to promote and encourage good behaviour rather than simply to punish bad behaviour. In the belief that the most effective schools tend to be those with the best relationships with parents, our policy is to promote continuous contact between parents and Coláiste in relation to each student's behaviour and progress. The quality of relationships between teachers and students is one of the most powerful influences on student behaviour. For many students, their teachers are a major source of support.

Introduction: This Code of Behaviour has been prepared in consultation with parents, students, staff, the Board of Management and Galway and Roscommon ETB. This policy has been prepared in accordance with the Guidelines produced by the National Education Welfare Board as per the Education Welfare Act 2000 Section 23.

Enrolment as a student at Coláiste Naomh Feichín, shall imply acceptance of this Code of Behaviour by parents/guardians and by students. The code must be signed indicating the Code has been read and that its contents are acceptable, are agreed to and binding.

Promoting Good Behaviour

The following behaviour is expected:

- Students are required to conduct themselves in a respectful, appropriate and orderly manner at all times in the school. Students must always be courteous and mannerly towards each other, all teachers, all school employees and school visitors. A positive, respectful and enjoyable atmosphere should be promoted in the school. We encourage the acceptance of everyone's individuality and extend to everyone the opportunity to take part in all aspects of school life.
- Punctuality is required for school every morning, for all classes, for every appointment and games. To this end, be punctual and have all necessary equipment prepared before the beginning of class. Students should go to their lockers 3 times daily, at the beginning of the school day, at break and at lunch times. **Students with special needs will be accommodated regarding the issue of locker organisation.** If a student is late arriving for school, they must report to the office, sign the register and show a note explaining their lateness. **If tardiness persists, a meeting will be arranged with parents to discuss this issue.**
- All students must be always attired in full neat, clean uniform (school jumper, T-shirt, Trouser and suitable footwear). The wearing of our school uniform promotes equality and a sense of identity and cohesion among the student body. Our uniform should be worn with pride and students must conduct themselves in an appropriate manner at all times when wearing their uniform. **Students in breach of this rule will warrant sanctions deemed appropriate by the management.**
- Students and their parents are obliged to adhere to the Netbook Agreement.
- “**Gaeilge**” is the language of communication in the school and all students must respect this rule. Students will use the Irish version of their name and surname unless alternative arrangements are made.
- Out of respect and courtesy, and in order to maintain an uninterrupted learning environment all mobile phones and other electronic devices must be **switched off**, as opposed to silent mode, during school hours. All recording/listening/photographic devices are strictly banned. If a student is seen with any of these items, they are presumed to be in use and will be confiscated immediately. Confiscated mobile phones/items will only be returned directly to a parent/guardian. **Students in breach of this rule will warrant sanctions deemed appropriate by the management.**
N.B. It will be regarded as a serious breach of the Code of Behaviour if pictures or recordings of staff/students are made or/and disseminated without prior permission. In exceptional circumstances, with their teachers' permission, a student/students may be allowed to use their mobile phones to photograph projects and/or experiments.
- The wearing of jewellery is limited. Health and Safety regulations must be respected. Body pierced jewellery should only be worn in the ears and limited to one small discreet pair, in the case of nose jewellery, one discreet nose stud may be worn and no other facial rings or piercings allowed.
- Makeup is limited to senior students only and must be worn extremely discreetly.

- Students must respect all school property at all times and be prepared to cover the cost of any damage they cause to school property or equipment.
- To ensure the health and safety of all the school community, the following items are not permitted: chewing gum, tobacco, electronic smoking devices, alcohol or abusive substances.(Refer to the Abuse of Substances Policy)
- Consumption of food and drink is strictly forbidden during class time in all classrooms and is confined to assigned areas during break and lunch times. Water may be consumed when necessary but all foods and liquids in the science laboratory and computer rooms. In the case of students with medical or dietary requirements, their needs will be respected by the school.
- Phone calls to parents during school hours must only be made through the school office. Use of mobile phones for such matters is strictly prohibited.
- Students must conduct themselves in a safe manner at all times – no cycling in school grounds and no loitering/obstructing school gate. Students must be conscious of traffic and conduct themselves in a safe manner.
- When students are absent, on returning to school they must furnish a written confirmation by parents of cause of absence. Please ensure student's name is clearly written. Students who wish to go home or to the local shop at lunch-time must, at the beginning of each school-year, submit one parental letter to the Principal.
- Students who drive to school are prohibited from using their vehicle from arrival time to departure time, including travelling to organised Coláiste events. They are not allowed to carry other students unless written parental permission has been given to do so.
- Students are not permitted to bring or use Aerosols in the Coláiste.

****N.B.****

Students must remember that they represent their school at all times when in school uniform, on the way to or from school, during lunch time, on school tours or school business.

Role of Parents, and where Parents can get help should a problem arise.

Parents have a responsibility to support their children's school by encouraging their children to recognise the importance of education and learning and of the Irish language and culture.

Supporting the application of behaviour policies and system rewards and sanctions.

Insisting that their children pay proper respect for themselves to teachers, supporting staff and the environment.

Preparing their children for school, taking all responsible steps to ensure that children carry out all steps set out for them.

Checking the school journal and notes each week and signing notes from teachers if necessary.

Contacting the subject teacher or year head if you're worried about your child's progress.

Parents are always welcome in the school. They are an important part of our school community and are always welcome following arrangement of an appointment through the office.

Parents/guardians will be kept informed each time the Code of Behaviour is breached through the following methods: notes in school journal, phone call home, letter home, text message home, parent/teacher meetings, individual meetings. If a parent wishes to meet with a teacher for any reason they must make an appointment through the office.

Strategies for promoting positive behaviour, progress and effort.

In implementing the Code of Behaviour, the promotion of positive work values should be borne in mind. This is encouraged in the following ways:

Verbal praise, an encouraging word or smile, writing an encouraging comment in the student's copy or journal, student affirmation at school assembly, awards evening ceremony, writing a favorable comment on the record of exam results.

Teachers and Management will endeavor to maintain a consistent and fair approach to supporting positive behaviour by:

- Fostering mutually respectful relationships between students, parents/guardians and all staff in our school.
- Rewarding positive behaviour and learning achievements/efforts and general progress.
- Following and adopting clearly defined procedures/sanctions in an effective, fair and helpful manner.
- Implementing appropriate teaching strategies and mixed methodologies to enable students to achieve their potential.
- Supporting students through an effective pastoral care system and through the "Social, Personal and Health Education" programme.

N.B: This above list is not an exhaustive list.

Sanctions: Examples of sanctions that may be used in response to breaches of discipline:

When students are in breach of discipline, sanctions will be imposed which range from verbal reprimand, extra written work, temporary confiscation of property, reassignment of the class seating plan, assistance in the maintenance of the school environment, being placed on report, detention, parental notification, loss of privileges, written record of misbehaviour, in-house suspension to school exclusion.

Detention will be held after school or at a time considered appropriate by school management. Failure to report for detention is regarded as a serious breach of discipline.

Being placed on report: The student must present the report form to the teacher at the start of each class and the subject teacher completes the report form at the end of class. The form must be presented to the class tutor/management before going home each day. Parents/guardians must sign the report each evening.

In-house Suspension: Parents will be contacted by management and will be required to meet with the school authorities. The student will accompany a designated member of staff for the day and will complete assigned class work.

Suspension: parents will be contacted by management and will be required to meet with the school authorities. In certain circumstances of unacceptable behavior it is necessary for the student to be suspended or temporarily excluded from Coláiste Naomh Feichín. (Please refer to Exclusion/Expulsion Policy).

Exclusion: In certain circumstances of unacceptable behaviour it is necessary in the best interests of the whole school community for the student to be suspended or excluded. In applying sanctions of suspension or exclusion Coláiste Naomh Feichín will give due consideration to the rights and responsibilities underpinned in the Education Act 1998, The Welfare Act 2000, and Section 31 of the Vocational Education (Amendment) Act 2001 and the Principles of fairness and natural justice. Procedural fairness is a basic right of all individuals dealing with authorities. All communities have a legitimate expectation that schools will follow these principles in all circumstances, particularly when dealing with suspensions and exclusions.(Please refer to Exclusion/Expulsion Policy).

Making an Appeal

Parents, or a student aged over eighteen years, as provided in Section 29 of the Education Act 1998, may make an appeal to Galway Roscommon Education & Training Board (GRETB) where a student has been suspended for twenty days in a school year.
